

Resources for Calibration

www.esscolab.com

800-325-2201

Calibration Organizations:

www.ncslinternational.org National Conference of Standards Laboratories (RPs are good references)
www.proficiency.org National Association for Proficiency Testing (used for labs to compare capabilities)
www.metrology.org ASQ Measurement Quality Division's (MQD) home page
www.a2la.org American Association for Laboratory Accreditation (accredits many labs)
www.nist.gov National Institute of Standards and Technology (source of most traceability)
<http://ts.nist.gov/ts/htdocs/210/214/214.htm> NIST's NVLAP accreditation program

Quality Organizations:

www.iso.com ISO Home page from Switzerland
www.ansi.org American National Standards Institute (good resource for procedures, standards)
www.astm.org American Society for Testing and Materials (resource for materials procedures)

Useful Forums:

www.fasor.com/~iso25/ Useful ListServ to share Q&A on testing and calibration
www.tm.agilent.com/tmo/metrology Agilent's (Hp) Metrology forum
www.navsea.navy.mil/nswc/Corona/ Navy's calibration program in Corona, CA
www.pmel.com Reference area set up by PMEL veterans
www.qualitytoday.com/library/metrology.htm Quality Today's Forum
www.eCalibration.com Blue Mountain's metrology Forum
www.MetrologyWorld.com VerticalNet's metrology forum
www.measurementuncertainty.com QUAMATEC's metrology forum
www.mimetek.com MIMETEK's metrology forum

Magazine and Periodicals:

www.callabmag.com Calibration Laboratory Magazine (intended for cal labs)
www.tmworld.com Test and Measurement World (Cahners Publishing)
www.qualitytoday.com Quality Today magazine
www.qualitydigest.com Quality Digest magazine
www.qualityprogress.asq.org ASQ's Quality Progress magazine

Metrology Training:

www.state.net/wptraining WorkPlace Training Measurement Training CD-ROMs
www.excelpartnership.com Excel home page (ISO Guide 25/ISO 17025)
www.cybermetrics.com Cybermetrics Metrology 101™ CD
www.mitutoyo.com Mitutoyo Institute of Metrology, local seminars
www.tm.agilent.com/tmo/education Agilent (Hp)-provided training
www.hartscientific.com/seminars Hart Scientific-provided seminars
